

# The Walleye Street Journal

A Publication of *Slippery Winds Wilderness Resort, Yoke Lake, NW Ontario, Canada*

Our guests enjoyed some great multi-species fishing at Slippery Winds again this past summer, with quality fish of all six species caught and released.

We had a number of projects on the go this year, including installing a new, metal roof on cabin #1 and adding an extension onto our boathouse to house a new laundry facility.

Slippery Winds added a new 20-foot pontoon boat to our fleet to use as a barge to haul our fuel and supplies across Straw Lake to the lodge.

The StarLink satellite internet system worked well, but we may need to relocate the dish to ensure better reception and more reliable VOIP telephone service.

## 2024 Season

**We are pleased to announce our 2024 package prices will remain unchanged at 2023 levels!**

The 2024 walleye opener is Saturday, May 18th, and we still have a few openings available.

Don't miss out on our early booking / deposit discount of \$50 per person for guests booking and depositing in full by Oct. 31st.

For the best selection of dates, contact us early.

We have more projects planned for next summer, including a new steel roof for the main lodge. Some additional work is planned

## 2024 Sportshow Schedule

for the lodge and a couple of the guest cabins, and adding a couple of new boats to our fleet is also on our wish list.

I would like to thank lodge manager Daryl, as well as Emily and the other guides and the shore staff for their dedication and hard work this season to ensure our guests had an enjoyable fishing adventure.

I'd also like to thank Gerry Spray for coming into Slippery Winds at the beginning of the season in May to help out with the construction of our new laundry facility.

Thanks to all our guests for their continued loyalty over the years!

We look forward to hosting you at Slippery Winds again in 2024 or some other time in the future!
